

## *International Federation for Peace and Sustainable Development*

**Mr. Ralph Kader**, CEO of the IFPSD, USA, **Mr. Kang Yiming** Chief Liaison Officer of IFPSD, Beijing,

In continuance of our efforts to promote the development of Peace and Security in the world, and to further explore opportunities for cooperation in China and Asia, the **International Federation for Peace and Sustainable Development (IFPSD)** decided to open a chapter in Beijing, China.

The **International Federation for Peace and Sustainable Development (IFPSD)**, assigned **Mr. Kang Jun** as the Chief Liaison Officer for China and Asia region, with the capacity and privileges necessary for the exercise of such function The **IFPSD**,

His functions will be to manage and assist in the **IFPSD's** goals of promoting world **Peace, Public Safety and Global Security**, as well as cooperation between the two offices. They will furthermore oversee Peace and Security sustainable development projects in China and Asia, also to establish training institutions to train and educate youth in Asia in adherence to the principles of the **United Nations**, and to convene events and summits related to Global Security, Public Safety and Sustainable Development in China and Asia.

We are hopeful that their support will inspire other like-minded, lawful humanitarians and facilitate the development of the **IFPSD's** work and commitments. We look forward to receiving more details about the event and summit activities and development proposals from Beijing office, which shall be subject to approval by the President in accordance with our respective instruction processes.

Thanking you in Anticipation,  
Signed,

**Mr. Ralph Kader**, Chief Executive Officer of the IFPSD, United Nations

**Mrs. Sally Kader**, President of International Federation for Peace and Sustainable Development (IFPSD)
